Multi-Round Scoring Rules

To transform your DIY Rapid Rumble game into a competitive tournament, implement this point-based system across 5 distinct rounds.

The Scoring System

- First Place (Out of Cards First): 10 Points
- Second Place: 7 Points
- Third Place: 5 Points
- Time's Up Penalty: If the 60-second timer expires and players still hold letters, they receive 2 Points per remaining card in their hand (subtracted from their current round score).
- Flub Penalty: If a player shouts an invalid word (e.g., "Apple" for the letter B), they must draw 1 extra letter card from the discard pile as a penalty.

Tournament Structure

- Rounds 1 & 2 (The Warm-up): Standard rules. Deal 5 letter cards per player.
- Round 3 (The Crunch): Deal 7 letter cards to increase difficulty.
- Round 4 (The Chaos): Double Rumble! Flip 2 Category Cards simultaneously. Players can use either category.
- Round 5 (The Grand Finale): Blind Hand. Deal 5 letters face-down. Players can only flip and look at their letters *after* the timer starts.

- Winner: The player with the highest cumulative point total at the end of Round 5 wins.
